Clare County Council Polling Scheme Electoral Act 1992 and Polling Scheme Regulations 2005

Introduction

A Polling Scheme divides a County into Electoral Areas and these are further broken down into Polling Districts, Electoral Divisions, and Townlands. The Scheme sets out a Polling Place or Polling Station for the townlands for electoral purposes. The Register of Electors is then produced in accordance with the districts defined within the Scheme.

The making of a Polling Scheme is a reserved function of the Elected Members of the Council.

County Clare consists of Two Dàil Constituencies, which are where the voters in County Clare democratically elect members to Dáil Éireann

:
